April 24, 2002

Assistant Commissioner for Patents  
Washington, DC 20231

Sir:

**SUPPLEMENTAL/CORRECTIVE AMENDMENT**

Supplemental to the Amendment filed April 17, 2002, kindly enter the following remarks.

**REMARKS**

It has been discovered that the Amendment filed on April 17, 2002 in this application listed the wrong title in the heading. That title should be disregarded as there has been no change to the title in this case. Furthermore, two typographical errors have been discovered in the remarks submitted with the amendment of April 17, 2002. In that regard, on Page 6, line 15, "unwinding" should be --endwinding-- and on page 7, line 4, "weight" should be --wake--. Any confusion in this regard is regretted.

Reconsideration and allowance in view of the amendment filed April 17, 2002 as supplemented hereinabove is respectfully requested.

Respectfully submitted,

**NIXON & VANDERHYE P.C.**
